

TUFFIES WADER STOCK SIZE CHART AND MADE TO MEASURE FORM

See our video demo for important points of being measured up it is a good idea to double check your measurements to make sure they are correct. Please ensure to fill in all measurements, if you are unsure of anything please get in touch with us either by phone or email.

For Tuffie's stock size thigh waders use thigh and crutch to floor measurements to find your size.

For Tuffie's made to measure thigh waders please fill in thigh, crutch to floor and calf measurements.

If you require knee pads fill in the centre of knee to floor measurement
